**Demanding Buildings Demand the Best.
Experience the Scalise Quality Difference.**

Since 1946, EMCOR Services Scalise Industries (Scalise) has provided its clients with high quality mechanical, commercial HVAC, and plumbing services. As commercial HVAC contractors with the knowledge and experience to also provide commercial chiller services, our team of specialists is ready to take on virtually any mechanical challenge that arises.

When properly maintained, chillers not only provide critical comfort needs to people and equipment in buildings, but they also help reduce operating costs through increased energy efficiency—all while extending equipment's useful life. Scalise provides a comprehensive package of expert chiller services designed to keep facilities running at peak productivity.

EPA Certified. Factory Authorized.

As the region's largest independent chiller group, our EPA-certified and factory-authorized experts offer high-quality, single-source chiller services. We have vast experience servicing machines from manufacturers such as those listed below. Scalise also offers replacement/enhancement products and energy saving upgrades for these lines and more:

- » Carrier
- » Dunham Bush
- » McQuay
- » Trane
- » York
- » Multistack
- » Smartt

Chiller Services. Second to None.

- » Absorption, centrifugal, reciprocating, and screw machines
